

# 14<sup>th</sup> Lancelot Awards Club of the Year Award Nominations

## **Corrib Riding Club**

The Galway based club always go above and beyond for the West Region especially in hosting a two-day Pre-Festival show and running qualifiers when nobody else would do so in the region. Corrib is always approachable and helpful to other clubs in the area.

## **Killossery Riding Club**

Killossery has great support from their members, when it comes to competing, all members help each other with true team spirit. This year Killossery was rewarded for their hard work and training when they won the Horseware Team Show Jumping Championships at the RDS where the club was proud to represent the North East region. It was the club's fifth time in a row to appear in the final and won in twice.

The club ran a very successful and enjoyable leg of the winter league, the club also hopes to run a cross jump or an event in 2019. The club held show jumping and dressage clinics throughout the year, both clinics got great feedback and members / other clubs members got great encouragement and confidence from the training. The club consists of all levels from Primary to open competing in all disciplines and got some fantastic results both at regional and national level. Two members won two national titles at the show jumping championships while one of our new members won the Primary section of the North East region dressage league.

## **Mo Chara Riding Club**

Mo Chara is a small but vibrant club, 10 years in action with a warm, welcoming and friendly atmosphere. The club has managed to maintain and increase our numbers slightly over the years including social/non-riding members.

The club has expanded the range of activities on offer to include training opportunities for all levels and social events which include family and friends. Mo Chara had some great nights out from fun and games nights to a BBQ and even sumo wrestling! The club has run a very successful yearly show (thanks to the hard work of members) including a leg of the Midland's derby and dressage league and the dressage championships qualifier for the Midland region.

The club is lucky to have some experienced riders and even with our small size, members are often well represented in the rosettes at club, regional and national level. Mo Chara members represent the club and the sport with pride and always cheer on each other and those from other clubs. This club is about having fun, with and without horses, and it's a real team effort.
